

# FRIDAY CAFÉ

*Fridays from 9:30 - 11 am*

**Friday CAFÉ is a morning discussion and networking series for people who work at the intersection of families and learning.** Our monthly gatherings feature a short talk, fresh coffee and thought-provoking conversation.

Our members go by many different names. Some work in schools, some in communities. Are you a parent liaison, partnership coordinator, home-school facilitator, family resource specialist, parent center director, or just have an interest in family engagement? This network is for you.

Sponsored by a collaboration of CFSP, CSDE, CREC, SERC/PIRC and our Advisory Group

For questions contact: **Judy Carson**, Program Manager for School-Family-Community Partnerships at Connecticut State Department of Education, [judy.carson@ct.gov](mailto:judy.carson@ct.gov).
